## A Fallen Limb

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again."

“ Dear Shaylene and Larissa, I know it's been way over a year that your dad has been gone and I'm so so sorry that I'm now responding about your loss. Your father was a great man, best friend you could ever ask for....\*I love you Ivan and always have. I missed you so much but I know we will see each other again. Mi amor eterno.

“ Many prayers for your family. You were taken too soon from this earth, but you will live again with no pain and no worries, in a perfect body in all the heaven above. Looking down and protecting all those you love . Ivan, it was really good knowing you. You have a heart of gold and I am honored to be your friend. You were a great father and I know your children meant the world to you. Anything you could have done to make sure they were taken care of. We will keep cherished memories of you. Until we meet again, friend❤️Amen

“ RIP my dear friend Ivan. I will miss talking with you. I still remember your voice. Remember I told you that me and my daughter thought you sounded just like Silvester Stallone? You laughed & said you've been told the same in the past. I was really sad today when Larissa called me to give me the news, but I'm trying to find peace in knowing you are reunited with your parents and your bro. Love you my friend, will miss you very much. 🥹

“ RIP my dear friend Ivan. I will miss talking with you. I know how much you missed your parents and bro, especially during the holidays. I find peace in knowing that you're reunited with your family. I still remember the first time me and my daughter spoke to you on the phone and we both agreed that you sounded just like Silvester Stallone! You laughed and said that you have been told the same before. My daughter says she remembers when you used to tell me that I had a "Mickey mouse" phone. 😭💙 you'll be so missed by many.

“ Dear Larissa and family,  
I was so shocked to hear your dad had passed away! There's no time that is the right time to lose a parent and I send my most heartfelt condolences to you. He was always fun to talk to when I would visit Heidi. Sending you prayers and hugs, and remember, call me anytime you need to 💜.

“ Ivan,  
I'm still in disbelief. 38 year friendship. You were such a nice guy, good friend and good dad. I will miss your goofy laugh and not so funny jokes. You are resting In Paradise with your family. RIP 🙏❤️
