

James Rony Achberger

November 15, 1956 - July 8, 2020

James Rony Achberger sadly passed away on July 8, 2020 at the age of 63 in Las Vegas, NV.

James Achberger, although most people know him as Jim, was a proud business owner and being a news buff, he always kept up on current events. Even though he didn't watch much TV, he always watched the news every chance he got. He was a huge sports fan and loved all different kinds of sports. He even collected baseball cards. When football season was in, you could find him trying to catch the Steeler's game, the team he always rooted for. He always had a passion for the Steelers! Jim had a heart for his family, whom he loved dearly.

He is survived by his wife, Jodi, their sons Christopher (Claudia) and Michael (Stephanie), his granddaughter Emelina, his mother Janice, his sister Georgia, his brother Mike and many friends. He will be greatly missed but never forgotten. He will remain in our hearts, forever....

“ Hi Jimmy! It's been five years today and my heart still breaks that you're gone. Because of Covid, I'm so sad that I couldn't at least be with you just for a moment. I am most grateful that you are not alone now and the pain you felt day in and day out is gone. I know you're in heaven with mom, Janice, Vicki, Laurie, so I hope you're all celebrating together that you are home and free now, Jimmy. Just remember, you're in heaven but missed sorely. When God tells me it's my time to go I look forward to seeing you and giving you the biggest hug ever! Much love, Jimmy.

“ Happy Heavenly Birthday Jimmy! I can't help it Jim, when I think of you, I get upset. I feel robbed of spending more time together. But because of our faith in Jesus Christ, I know we will be together forever.. and when that time comes, I will have forgotten this earthly time when my heart is broken. Happy, happy Birthday Jimmy and enjoy being with Jan, Vic, Laurie and Mom. You being with Mom now makes me so happy. I know how much she missed you, and you missed her for so long. That's the best birthday present! Lots of love Jim! Stay close and lots of love till I can hug you again! Your older sister, (remember only by a bit! Ha!) Georgia

“ Jim, I know you know how much I love and miss you every single day. But I am so thankful for two things in particular. One, the suffering, pain and loneliness you felt is over and I can imagine your smiles from ear to ear! Secondly, I am so happy mom is with you and can see you again. And to add that that you're with Grandpa, Holly and our sisters has to be more joy than you had had for years! Until I see you again, save some hugs for me! Love you forever

“ Hi Jim! It's still so surreal your not here. I'm at Mom's and boy does she miss you too. Often times it seems we sit and wait for the phone to ring as you would call or we would call you most nights during my visit. Well, just know we'll see you again (that's what keeps us going forward). I also know you can visit Emelina any time you want and watch her grow up, For that I am most thankful. Watch over Mom, through God, and we'll be fine. Lots of love JIM. I miss you so much.

“ *Hi Jim....this is the first time I've had the strength to write to you. You must know the sadness, hurt, disbelief I feel losing you. But if I have this much pain, Mom has more. Our hearts have been shattered once again by something that did not need to happen. I am so sorry I couldn't be with you because of this Covid virus. My peace is knowing that your safe with God, you are without pain and You are with Jan, Vicki and Laurie. It is true, the only sadness is for those of us left behind to suffer. Till the day we get to see each other again, I love and miss you with all of my heart. I can't believe you're not here....but know you're close by. Love you, your sister forever....Georgia*
