I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ When we grieve, Angels are always near us to whisper that our loved ones are safely in the hands of God. Rest In Peace Uncle James. I wish I could have said good bye. I have memories of Holidays I hold near and dear.

“ I was lucky enough to work for JR for 6 years. His business was very important to him, but so was his employees. I knew he would always act in the most fair of ways. He made me feel like more than just a secretary. JR always gave me way more credit than I deserved. He often tried to point out how smart I was. You should be part of Mensa which is far from the truth. But, he probably should have been. He was so intelligent in all aspects. He tried to put a tough exterior on, but he was so funny and nice. He had the best of heart and I am grateful that I was able to work close to him for so many years. Nancy, Shana, and family I am so sorry for you loss. Please know he left a lot of good marks on a lot of peoples hearts. I know he was a God loving man, and know he has found peace.
