

## James William Klos

June 15, 1955 - April 18, 2023

It is with great sadness that we announce the passing of James William Klos, beloved husband, father, grandfather, son, brother, and friend. Jim passed away on April 18, 2023, leaving behind a lifetime of memories and a legacy that will be cherished by all who knew him.

Jim was born on June 15, 1955, in Drexel Hill, PA, to William and Doris Klos. He was the loving husband of Nanci Klos, and they were happily married for 22 years. Jim was a devoted father to his children, Patrick Klos and Lauren Klos (Vieira), and stepfather to Meghan Krause, Kallie Norton, and Michael McCabe. Jim also loved his five step-grandchildren and his family dog, Prudence.

Jim was an accomplished truck driver, having spent 35 years on the road. He had a degree in accounting from Delaware County Community College and was a member of the Harley Owners Group, an avid motorcyclist, and a lover of all things Eric Clapton and BB King. Jim was known for his humor, wit, and sarcastic quips, often exclaiming "Thats my wife, I love her so" and "Helloooo."

In 2002, Jim and Nanci moved to Arizona, where they purchased their dream house. They shared many happy years together, enjoying their favorite restaurants like Red Lobster, and creating memories with family and friends. Jim was a doting husband and father who loved spending time with his loved ones and made every moment count.

Jim is survived by his wife, children, step-children, grandchildren, father,

sister, and beloved dog. He was preceded in death by his mother, Doris Klos. Jim will be deeply missed by all who knew him and his memory will forever be treasured.

A private memorial will be held to celebrate Jim's life, and details will be determined at a later time. In his memory, the family requests that donations be made to a local animal shelter, as Jim was an animal lover and supporter of animal welfare. Rest in peace, Jim, and know that you will be missed beyond words.
