### Footprints in the Sand

One night I had a dream. I dreamed I was walking along the beach with the Lord and across the sky flashed scenes from my life. For each scene I noticed two sets of footprints in the sand; one belonged to me and the other to the Lord. When the last scene of my life flashed before me, I looked back at the footprints in the sand. I noticed that many times along the path of my life, there was only one set of footprints. I also noticed that it happened at the very lowest and saddest times in my life.

“ *Although I went to Mont Pleasant High School, I knew Jim ( "Maddy") since the late 60's. We both served in the 109th, NY Air National Guard together. He was a valued at Bellevue Builders, working for Joe Lucarelli. A great guy, with an engaging personality. My deepest sympathies to Kelly and his family.*

“ *My sincere condolences to Jimmy's family. I knew him in high school and again many years later when we were both in the single years of our lives. He was a fun loving guy with many friends,*
