Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ *In loving memory of a wonderful person. We will love you and miss you always. I've known Jan and his late wife Leslie for 23 years, I met them when I was 14. They would call themselves my "Vegas parents" since my dad was passed and my mom lives in Montana. They were always so loving and kind to me. Jan was so funny he always made me laugh. I'm in complete shock of this news and I'm so sad that we weren't able to get together sooner because of covid. My heart is aching, if any friends or family members need to reach out please feel free to call me.*
