

Janie B Barry

February 26, 1948 - June 22, 2020

Janie Barry was by far the best friend we could have asked for. A lady who was always happy to welcome new friends into her home, to share stories, and to brighten their day with smiles and wisdom. It was an honor to call her friend or family, but really, anyone who was her friend was family. Our world is not nearly as bright without you in it Janie. She was deeply loved by so many people, and our hearts are heavier without her.

There aren't words for how much she did for her family. A bedrock of support, a cheerleader of hobbies, a caretaker of hearts, and a petter of dogs. Most of all: Janie was a wonderful human, who helped all of us grow.

We'll never be able to thank you enough, Janie. Rest well, we'll see you at the ocean.
