Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

Tribute Wall

“ *Blessed to have met this man and have him in my life a couple years. He will be greatly missed. His smile, kindness and sense of humor will live on in those that knew him. Until we meet again my friend*
