

## Jean Star Baland

June 25, 1937 - February 16, 2023

Aloha Mom, Grandma, Tutu, We are all so heartbroken to see you go. We will cherish every beautiful memory of you. You had a way of making all of us feel so special & loved. You always made the whole room light up when you walked in with your fun, spunky and positive energy. A little bit about our Mom, A professional business woman, an Entrepreneur, Mother, Grandmother and Great Grandmother. She was a woman with a heart as big as her whole body, she loved everyone and encouraged us all to be the best we can be. She lived life to the fullest, and loved every minute of it. She had her own business, "Hoku Island Displays" for 43 years. We will always remember all the funny things you did and said and hold it close to our hearts. Especially when your Chargers played and you wanted them to score, we will also remember the hex on the opposing team. You loved Football and we will think of you every football season and cheer for your Chargers. Her home in Hawaii was the gathering place for our family. She lived most of her life in Hawaii with her husband, Tom Baland. Her favorite color is purple, everything in her closet and home was purple. She had an amazing collection of beautiful clowns from all around the world. She is survived by her husband, Tom Baland; Sister, Marylou Lawson; Sons, Gary (Nanette) of Utah, Ronald (Karla) of Minnesota; Daughters, Terri (James) of Hawaii, Sheri (Kenney) Michigan; 7 grandchildren; Justin (Andrea), Megan (Sebastian), Nicole (Ben), Ryan (Tina), Jesse (Tanya), Jordan, Amanda (David); 18 great grandchildren; Savannah, Brinley, Madison, Bradley, Ellie, Sam, Will, Raidan, Kelsey, Paige, Reign,

“ I loved seeing all the beautiful photos of Jean with all her loved ones and reading the heartfelt comments. It really is difficult to express our feelings at a loss such as this. A big empty hole in the hearts of all who loved her. My heart hurts especially for my dear brother Tom who has lost the love of his life. The beautiful thing is we will see her again

“ Dearest Jeanie, our hearts hurt to say goodbye. You have been such a life force and shining star in my life. I am blessed to have had you in my life since I was 5 years old and to have had so many adventures and memories to treasure. In this time of sadness and grief, the words just aren't coming. For now I will just say....Because you loved me, I am blessed and share some of my favorite photos from over the years
