### Remember Me

Don't remember me with sadness, Don't remember me with tears, Remember all the good times, Shared throughout the years. Now I am contented That my life it was worthwhile, Because I know by loving you That I made you smile. When you are walking down the street, And you've got me on your mind, I'm walking in your footsteps Only half a step behind. So please don't be unhappy Just because I'm out of sight, Remember that I am with you Every morning, noon, and night.
