Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.

“ *Man do I miss you! You were a great brother and at times, my best friend. My favorite things about you were; you were always game for anything, you laughed easily, you talked to everybody!, you had life long friends, you were a hard worker and never without a job, you were loyal, and you were a genuinely nice human being. sigh. I love you Jeffrey.*
