### When I Must Leave You

When I must leave you for a little while, please do not grieve and shed wild tears and hug your sorrow to you through the years, but start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you in the sky!

“ I remember when I first met you it was in May 1997 shortly after you had Natasha in Tombstone AZ. You looked so beautiful then and you were that until we lost you. Hope that we meet again. Rest easy now. Know I love you no matter what. You will be missed by many. You joined many loved ones. Thanks for the memories. Barb Beamenderfer Losey
