May 20, 1947 - November 9, 2023

"The Lord is my shepherd; I shall not want." - Psalm 23:1

JoAnn Anderson peacefully departed this life on November 9, 2023.

JoAnn's spiritual journey began early in life when she accepted Christ.

Throughout her life, she faithfully worshiped and served the Lord, always active in the church choir and usher board. In addition to her faith, JoAnn's other true dedication lay in being a supportive mother and grandmother. She particularly dedicated her life to caring for her grandchildren. She was a people person and could make friends with anyone. She found joy in the company of her family and friends, she was an excellent cook, and in her leisure time, she enjoyed the art of crocheting. JoAnn Anderson's legacy is one of faith and dedication. May her soul rest in eternal peace, and may her memory continue to encourage and comfort those who were touched by her presence.

“ Grandma, I am going to miss you deeply and ever so dearly. You and Mom were the glue that held us all together. You taught us about the importance of love, gratitude and simply being thankful for whatever you have knowing that God will see us through to receive more in due timing. I will miss our phone calls and listening to all of your stories from your life, and the things you experienced/seen and been through. I will never forget our walks as a child, I always wanted to go with my grandma. I will always remember your humor, boldness and wits which just made you so enjoyable to be around. You were adventurous, fun and youthful. We would talk about God, Faith and Hope. No matter what You were always there, together you and Mom always found a way to rise from the long suffering. You are the strongest woman I have ever known. I pray that our paths will cross again when my time here is up. I will never forget you and our memories remain deeply etched in my mind, body and heart. May you rest peacefully, finally you can rest, you were the best grandma in the world. We love you forever and ever. Forever in our hearts, thoughts and mind. Thank You for giving me the greatest gift and that is the gift of being your granddaughter. Rest peacefully my sweet grandmother. This isn't goodbye just your time to fly high. With love always, Shyra Love(Grand-daughter)
