May 5, 1961 - April 20, 2019

John Martin McCrudden, beloved husband, father, grandfather, brother & friend. Born in Belfast, Northern Ireland to Robert "Bobby" McCrudden and Anne Marie Stewart on May 5th, 1961. Peacefully passed away in Las Vegas, Nevada on April 20th, 2019 with his loyal wife by his side. John was raised in Northern Ireland in a stoutly catholic family as the 5th child of 6 living siblings. Raised in a tumultuous environment, he pursued a cause to fight terror and let freedom prevail; he enlisted in the British Army. After many years' service, he pursued a career in IT specializing in network architecture and security. Later in life, he achieved one of his greatest dreams by immigrating to the USA on the road to becoming a United States Citizen, like his oldest daughter. He was loved and respected by those he worked with; he found a home in a group of 'brothers' with whom he rode his motorcycle; and he enjoyed freedom as he resided in Pahrump where he was able to live in comfort and peace. He is survived by his wife, Linda, four children, John, Lindsay, Anne-Marie, and Bobbie, two sons-in-law, Steven and Simon, and three grandchildren, Amber, Peter, and Ethan.
