### When I'm Gone

When I come to the end of my journey and I travel my last weary mile, just forget if you can, that I ever frowned and remember only the smile. Forget unkind words I have spoken; remember some good I have done. Forget that I ever had heartache and remember I've had loads of fun. Forget that I have stumbled and blundered and sometimes fell by the way. Remember I have fought some hard battles and won, ere the close of the day, then forget to grieve for my going, I would not have you sad for a day, But in summer just gather some flowers and remember the place where I lay, and come in the evening when the sun paints the sky in the west, stand for a few moments beside me and remember only my best.

“ Pops was a real one!!! And when I say there will never be another like him, I MEAN there will never be another like him. He was loving and stepped up for us in every way he could. No he wasn't perfect, but who is. I really didn't know how much it meant with me being able to reach out to him whenever I could, but I know now. Life just hasn't been the same. He went through so much but it never changed who he was on the inside 😞. He will forever be remembered and missed. No more pain and I really hope you at peace now... 🕊️❤️🧵👍🏾👍🏾
