Please try to understand  
That an angel came and called my name  
And took me by the hand

“ *Jon is the love of my life and it has been the greatest privilege of my life to have shared the last 12 years with you. To say I will miss you is not even close to how much a void has been left in my heart. I will love you forever Jon and for me there will never be another. Rest Easy with the Angels my love, until we one day meet again.* ❤️❤️🙏
