I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ Hello TT JONI MAE , WERE DO I BEGIN... IT STILL SEEMS SO UNREAL THAT YOU ARE GONE. YES I KNOW YOU ARE IN A BETTER PLACE NOW! I JUST WANTED YOU TO KNOW HOW MUCH I APPRECIATE YOU. I REMEMBER THERE WAS DAYS I WAS SO HUNGRY AND YOU MADE SURE I ATE SOMETHING EVEN IF IT WAS JUST SOME NOODLES LOL! I WILL ALWAYS MISS HOW PURE YOU ARE AND GENUINE, AND YOU ALWAYS KEPT IT 100%! I LOVED HOW POLITE YOU WAS WHEN YOU WOULD TALK TO ME AND ALWAYS HAD A GREAT SMILE TO MAKE EVERYONE FEEL WELCOME! I WILL MISS HOW YOU USED TO SAY HEY TT BABY IT WAS ALWAYS MUSIC TO MY EARS TY FOR ACCEPTING ME AND MY SIBLINGS AS YOUR OWN! I HAVE SO MANY GREAT MEMORIES OF YOU. I CAN TALK TO YOU ALL DAY BUT UNTIL WE MEET AGAIN MY SWEET TT JONI MAE I WILL ALWAYS LOVE YOU AND WILL ALWAYS HAVE MUCH RESPECT FOR YOU! YOU ARE AMAZING! YOU WILL ALWAYS BE IN MY HEART AND MY MEMORIES! THANK YOU TT JONI MAE!

“ Joni, I can't believe it. You were always such a good/fun person to be around. You always knew how to make everyone at R.V smile/laugh with your stories & jokes. I miss those days. As silly as it sounds, I even miss helping you with your phone when you didn't know how to do something because it was time we had together. I think about you everyday and I love you very much. Rest easy

“ Hey moms, I just want to thank you for everything you've done and all the times you've provided. You were able to raise me to be the man I am today by playing both parts. You've shown me how strong a woman can be and how hard it is to be a single parent with multiple children. You've fought a long battle and now it is your time to rest. You've done everything you can ever do to ensure your 8 kids continued to strive and be the parents they are today. I don't want Saturday to be the last time I see you but I regret all the times I had the chance to and never did. I would never forgive myself now that you're gone and I can't come invade your home. I'm going to miss you like crazy but I'm going to stay strong like you've always wanted me to be. I love you Moms ❤️ I hate you left me like this but I'm happy you're now resting I love you 💔.

“ Dear Joni,
Every Morning I a wake up Sis, you are on my mind in a good way. You and I were as thick as thieves. You were the one that kept me smiling when I had one of my bad days, and I will never forget it. I do know without a doubt you are resting in peace. Very soon along with My Mother, My Grandmother, Janice , Valencia, Scooby, and the son of my Niece, all will hear Jesus voice and come out. John 5:28,29 , Acts 24:15 So rest up Sis, there will be so much I have to tell you. I Love you and miss you dearly.

“ Mama, we love you and miss you dearly. We are so grateful for the way we were raised. You were never afraid to be our mother - to put your foot down, to teach us right from wrong, to make sure we did our best. We are strong because a strong woman raised us. You meant the world to us, and we'll miss you every day. Your life was a blessing, your memory a treasure, you are loved beyond words and missed beyond measure. To our mother in heaven, thank you for always loving us and guiding us. Even though you are no longer here with us we can still feel your love guiding us. Not having you here will be hard, The "firsts" are the hardest - first holidays, first Mother's day, your birthday all those days will be hard. We will just have to be strong for one another and get through them. We know you're watching us from above and we will strive to keep making you proud of us. You are always in our heart and we LOVE YOU! ❤️
