Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ *Death is never the ending, only the beginning to something so much more. Though you are gone tou left behind the most precious gifts anyone and God can give us which is LOVE and FAMILY. You will never be forgotten and will always live on in the hearts of your children, your grandchildren and the ones who loved you deeply. You've accomplished so much in life and I thank you for giving me the pleasure to know you in the short time I did.*
