Josie Mora-Schoen Las Vegas NV.

Josie Mora-Schoen was born on August 14, 1966 in Los Angeles, CA. She passed away on February 8, 2017 in Las Vegas, Nevada after giving us 50 years of her life with love and laughter.

Josie's passion was baking and cooking for everyone. She loved to create new ideas for Birthdays and Holidays. Those of us who had a chance to receive such a gift are now precious memories she left for us.

In her early years she played the clarinet, and piano, later participated four years in her High School Band.

Josie loved music and her favorite piece was "IMAGINE" By John Lennon.

One of Josie's employment career accomplishments was winning a Multi Million Dollar construction contract for a firm that she was employed by in Pasadena, California. The contract coincidentally was San Gabriel High School her Alma Mater. San Gabriel High School contract would be the corner stone of her career. Something else Josie was proud of in achieving.

Later in life, Josie moved out to Las Vegas, Nevada where she later met and married her husband David Schoen. Josie struggled with a life time of health

complications. The last eighteen months she was bedridden were David would remain at Josie's bedside everyday, until God called for her.

If you listen hard you can still hear her warm contagious laughter and imagine her joyful smile. God Bless our beloved Josie Mora-Schoen.
