

## Joyce Betty "Irene" MacDougall

May 12, 1940 - July 13, 2020

Joyce Betty Irene MacDougall rejoices in the presence of her Lord & Saviour, Jesus Christ in her 80th year, on July 13th, 2020. Born in Agincourt, Toronto, Ontario, Canada on May 12th, 1940 to Archibald Hezekiah Feeney & Sarah Jean Feeney, and moved to the United States in 1968. She leaves behind her loving & devoted husband, Leigh C. MacDougall, married in 1977, and two children, Max & Michelle McAteer, fathered by her former husband, James. Irene, predeceased by both her parents, her three sisters and their husbands, Lila & Morley Cole, Florence & George Kent, and Alice & Sherwood Langley, also leaves behind her very dear nieces and nephews, Karen Elkins, Ajax; Sandra (Ian) Harvey; Wendy (Mike) Moffat, Haliburton; Glenn (Heather) Cole; Terry (Kim Stirling) Cole; Garth Cole; Frasier (Leona) Kent; Brian (Lillian) Kent; Jonathan (Linda) Kent; William (Mary) Grant; Daniel (Laurie) Grant; Thomas Grant (passed 1976); and their families.

Irene was loved and adored by all who knew her. She was feisty, formidable, and fun, and the sweetest, most genuine person you could know. She cared profoundly for her friends and family. She was kind and compassionate to all those who crossed her path. She loved deeply. She was generous, supportive, and forgiving; always there with a kind word, a listening ear, a sincere hug, a shoulder to cry on, or an accepting smile. She was competitive and excelled at her job at Albertson's. She won nearly every contest or challenge that they had in her 23 year career. She was well respected, and

her coworkers and customers adored her, as well. She was beautiful, in every way.

She was loved and appreciated more than any words could ever adequately describe or measure. She leaves us with fond and heartfelt memories; her love is still our guide. She will be missed, but not forgotten, as we will carry her in our thoughts and in our hearts until we meet again, and throughout eternity.

May the Lord wrap his arms around her and fill her soul with joy, peace, and an abundance of love.

“ *July 13th, 2020 My Mother took her last breath today. My brother & step-father were there with us during her final moments. She was loved and adored by all who knew her. She was feisty, formidable, and fun; and the sweetest person you could know. She cared profoundly for her friends and family, and was kind and compassionate to all those who crossed her path. She loved deeply. She was generous, and forgiving; always there, ready with a kind word, a listening ear, a sincere hug, a shoulder to cry on, or an accepting smile. She enjoyed being 'just a little' irreverent and was quick to make a joke, or act silly to make someone smile, or laugh; to lighten the mood, or lift someone's spirits. She was exuberant, mighty, full of light and love, and you could feel it just being near her. She was BEAUTIFUL. She was decent and considerate and wily and wise, and she taught me to be decent & kind, as well. She taught me to ask questions & learn all I could. She taught me manners, and etiquette, and grammar, and poise. She had poise. She had class. She had integrity. She set the finest example for me, and she always made me feel loved, and understood, and important. I am SO proud of who she was and who she taught me to be. There is no one like her; no one as special, and as precious, and as deserving as she. I love and appreciate her more than any words could ever measure or describe. She was my Mother, my mentor, my teacher, my friend, my confidante, my peace, my happiness, my life force, and my biggest fan. She was BEAUTIFUL in every way. Love you, momma.*
