

Judd Marshall Ferris

July 1, 1933 - February 26, 2017

Judd Marshall Ferris was born July 1, 1933 in Palatine, Illinois to Judd and Elsie (Wagner) Ferris. He was an only child and grew up on the north side of Chicago. He graduated from Lane Tech High School where he acquired technical skills that he used the rest of his life. He was a gifted engineer whose career involved designing and building high-speed packaging machinery. His attention to detail and precision was evident in everything he did in life.

Whatever Judd did he did with a passion from family, to work, to hobbies. They all received his full attention and love. One of his passions was roller skating where he eventually met his wife Joyce. Later, that passion turned to square dancing and round dancing where he again immersed himself into the activity. His square dance family both in the Midwest and here in Vegas were some of the greatest friends he ever had and once a friend of Judd's you were a friend for life.

Judd passed away from us on Sunday, February 26, 2017. He is survived by his wife, Joyce; his two daughters, Jaye Ferris and Laura (Jay) Myers; his three step-children, Connie (Ed) Panahon, Marcus (Noelle) Runyan and Dean (Stephanie) Runyan; along with six grandsons, Jameson Myers, Lance Myers, Jacob Myers, David Runyan, Owen Panahon and Eric Panahon.

Judd is surely up in heaven now and is looking down on all of us. He may be gone from us physically but he will always be with us in our hearts.
