May the Angels Lead You

May the angels lead you into paradise; may the martyrs come to welcome you and take you to the holy city, the new and eternal Jerusalem. May choirs of angels welcome you and lead you to the bosom of Abraham; and where Lazarus is poor no longer may you find eternal rest.

“*Julie was such a nice person/co-worker through all the years I have known her. She always sent a kind note at work to see how I was. Bless you my friend and your family. Until we meet again, Wayne.*

“*Julia and I were good friends when we were stationed in New Mexico. Our kids were friends. We had really fun times together. We have kept in touch as good friends try to do. I have had the good fortune to meet up and visit in Vegas a few times over the years. Julia was a great friend, Mom and Wife. My love and prayers go out to Larry, Michael and Lori as well as their families. God will welcome her with both arms.*

“*This is the only picture I have of Mrs. Eicher, from Easter 1972 at Kirkland AFB. I remember all the fun times we had back then with our family gatherings and game nights. More recently I enjoyed catching up with Mr. and Mrs. Eicher when I would come to Las Vegas for my husbands bowling tournaments. Mrs. Eicher was a wonderful person and mother. She will be greatly missed. Love and prayers to her family.*
