Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ I am so sorry to hear of Justin's passing. It just breaks my heart knowing how much he loved you both, Sandra and Nathan, and that we lost him when he was so young. May God bring you peace in your time of sorrow. If you need anything, just knock on the door. Sincerely, Rhonda
