

## Kathleen Ann Murray

June 5, 1949 - February 20, 2020

Kathleen Ann Murray, 70, loving sister and friend to all, entered into eternal peace on Thursday, February 20, 2020 in Las Vegas, NV.

Kathleen was born on June 5, 1949, a daughter of the late Donald and Dora Murray. Besides her parents, she was predeceased by a brother Donald G Murray and niece Julie Murray.

She leaves her loving and cherished memories to her sister Patricia and her husband Robert, brother Timothy, nephew Michael and his wife Abbey, and sister-in-law Barbara.

Kathleen was a very kind and gentle soul; she had a loving and generous heart, and was always giving to others. She will be sorely missed by all who knew her.

Those who wish to honor and remember Kathleen in a special way, can make a donation (in her name) to the Infinity Hospice Foundation, 5110 N 40th St., Suite 107, Phoenix, AZ 85108.

Personal message to my sister:

“ I just now confirmed that Kathy has passed away. I went to Columbia University pharmacy school with her. She was two years ahead of me in class and was our Kappa Psi fraternity sweetheart. A few years ago I arranged for a reunion of the "old gang" and she was our guest of honor. She told us that she didn't think anyone would remember her. We all laughed and said "Kathy, we never stopped talking about you for 50 years!". Pretty, funny, intelligent and sincere soul; rest in peace.

“ Kathy was a dear friend for more than 35 years. She was a Bridesmaid at my Wedding in 1990. She was so funny, and could always make me laugh. She was a very sweet and caring soul. I will miss you very much Kathy. I can't believe you are gone, but not from my heart. You will remain in my heart forever. Rest now my friend, and I will see you again. 🙏💜🙏

“ I met Kathy many years ago when she lived in New Jersey and we both worked for BASCO, Inc. We had lots of good times together with weekend parties and just hanging out. I loved going over to her apartments and one year we watched the super bowl together and enjoyed eggplant parm! I think San Fran played that year. Anyway, I did get to catch up with her physically in Las Vegas a few years ago and it was great to see her---was like old times. One of our mutual friends, "Fish", who lives closer, has been able to visit with her more often and they would have lunch together whenever Fish was in Vegas. I was hoping to get out that way and see her again but between work and life it had not happened as soon as I had hoped. Well "Mur", will miss you for sure. I will see you again on the other side. Til then, peace and love my friend!!!! Joan from NJ

“ I worked with Kathy for many years she was a kind loving person. I had the pleasure of becoming a long time friend of hers. Kathy and I would go to lunch together after we both retired every couple of months and that lunch would last for several hours. I had the honor of Kathy coming to my home for Thanksgiving dinner for several years. My family loved seeing her every year and we would all enjoy the day together. Kathy and I would sit after dinner and read the sale adds in the newspaper it became a tradition. I will miss you Kathy and I love you. Rest in peace until we meet again one day.
