### Missing You Always

You never said I'm leaving, You never said Goodbye. You were gone before we knew it, And only God knows why. In life I loved you dearly, In death I love you still. In my heart I hold a place that only you can fill. It broke my heart to lose you, But you didn't go alone. A part of me went with you, the day God took you home.

“ No words can ever express the hurt of losing you has brought to me and the rest of our family. We may not have talked as much, as we should. But that does not mean that you never came to my mind. I thought about you all the time, especially when gazing at the sky. I hope you are at peace and I want you to know that I will never forget your smile. Rest in paradise! I love you, Kelly Renee Maddox!

“ *She was the best partner and wife and homemaker I will ever know she was my one and only she was the rock with which we built our house, she kept it running and gold and made sure that all of us were taken care of she would do whatever it took. To make sure. that we were safe and taken care of the best and the greatest of all of us and the world is missing a great person and loving individuals, and her name was Kelly, Renee Maddox, the best and she will be missed. She was a homemaker and my best friend*
