“ Our deepest sympathy goes to Donna and Ken's family. Dave and I were not able to spend much time with Ken but the time we had together could not have been better. He was a fun loving kind of guy. Ken and Donna loved each other with all their heart and were fortunate enough to spend the short time they had together. We don't know what is down the road for each of us but we need to live each day as though it may be the last. Don't forget to be kind to one another. Aunt Lorraine and Uncle Dave
