

Kenneth R. Reed Jr.

September 16, 1981 - July 14, 2025

Beloved husband, father, son, and friend, passed away unexpectedly, leaving behind a legacy full of love, laughter, and impact.

Kenneth was a proud father to Kenyanni, Kiera, Kenny, and Allison, and a devoted husband to Angela Birum-Reed. Born to Alice Pettihome and Kenneth Reed Sr., he carried the values of strength, resilience, and humor that defined him throughout his life.

Kenneth found his greatest joy in spending time with his family and friends. Whether he was coaching on the field, tossing around a football, or sharing spontaneous adventures outdoors, he brought an undeniable energy and warmth wherever he went. A natural leader and motivator, Kenneth inspired others through both his words and his actions—often dropping fun (and sometimes random) facts or testing his wrestling moves on loved ones just to see if “he still had it” as a former state champion.

His sense of humor was unmatched, his hugs unforgettable, and his presence deeply cherished. He had a gift for making people feel seen, valued, and loved. The impact he made on others—whether through coaching, mentoring, or simply being himself—reached further than he likely ever realized.

Though our hearts are heavy, we will forever remember Kenneth for the man

he was when he was with us: full of life, full of love, and fiercely loyal to those he held dear. His legacy lives on through the countless lives he touched and the memories we will carry with us always.

“ R.I.P. to one of the most influential people I ever had the privilege of knowing. I will never forget the first time I walked through the doors of Beazer Cottage, scared and not knowing what to expect from a place like that. You were one of the first staff members to greet me at 12 years old, and one of the last to wish me luck on my way out at 18. You were easily one of the most memorable people in my life, as well as one of the most inspirational. From your brilliant sense of humor and the way you could always make light of the tough times, to the way you could cheer up the entire cottage just by clocking in, you will definitely be missed. You inspired so many young men and women who, even as adults, have memories with you and continue to remember them often. I think that I can say with confidence, that you will not be forgotten. Rest easy, Mr. Kenny, and thank you for all the lessons you taught me and knowledge you shared to prepare me for adulthood. 💔🕊️
