Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ Kim was one of a kind! I owned the Curves gym she worked out at for 8 years. It made my day to see her walk through the doors. I was also her Avon lady, but first & foremost, we were friends. I much enjoyed the wild stories we shared in the early days & seeing her Maui vacation photos over the years. More recently, each time I went to her condo she had some new glow or disco light or something cool to show me. The spunky lady with the curls was loved at Curves & will be missed by many.
