

Laura Elaine Whitley

April 28, 1961 - May 10, 2020

It is with great sadness in our hearts our sister Laura Elaine Whitley went home to be with our Lord and Savior on Mother's Day 2020.

Our hearts are broken. She was a great soul, a private pilot and a flight attendant for Royal West Airlines and an animal rescuer with a huge heart. She never let anyone do without. She thought of everyone always.

She was blessed with one son named Peyton David Faircloth, and one grandson whom she adored Damon Peyton Faircloth.

Daughter of Robert Allan Whitley and Rita Joan Silirie. Sister of Colleen J. Moore and Paul E. Whitley.

She had 9 nieces, 8 nephews, 12 great nephews, 2 great great nephews and 2 great great nieces.

She was born on our father's birthday April 18th, 1961. She went to heave to be with Jesus on May 10th, 2020 Mother's Day.

We, her family and friend will miss her more than life and we look forward to seeing her again when all of this is over. We love you Laura. God bless you dearly in heaven. Forever & ever.

Your Family.

“ My Sister was "The Best Sister" Not a day goes by that I don't think of you and how generous you were to everyone you came in contact with. You deserved to be treated better by all who knew you. I Love You Laura

“ Laura Whitley we never saw eye to eye, but I loved you because of the love you had, such strong love you had for your animals, your son Peyton, your Grandson Damon, and your family in general! Tonight something told me to look on the internet to see how your were doing, many years have passed, and it was much to my surprise to find your obituary! Fly high in heaven my friend, I pray your family and especially your son Peyton find comfort during this horrible time! Sending all my love to you in heaven... Ashley Nales aka Ashley Cardona. ❤️

“ Although Laura was not my biological grandmother she surely did act like it. The biological grandmother of my brother, Damon. There was never a moment that Damon was treated better however, we were both treated equal. She took my mother, brother and I in multiple times when we had nowhere else to go. Even though she had barely enough room as it was with all the animals she had, which were more like family than animals. She had a huge heart, welcoming anyone and anything into her life and home. She always made sure we had what we needed and more. Especially the, larger than normal, food portions she made us but she wanted to make sure we had plenty to eat. She was a huge part in my childhood and changed my life for the best. The good times we had will never be forgotten. She will truly be missed and loved. Sorry I wasnt around more often as I got older grandma Laura but I will see you again, in heaven.

“ This incredible young lady certainly lost her life at such a young age. She accomplished quite a bit in her life. Laura was the mother of my young son Peyton, she will be missed beyond his ability to reason how this could have happened. Everybody please donate and help support Peyton. Laura gave with such care and love to everybody and all her pets. Not a selfish bone in this beautiful young lady. Laura was a pilot amongst so many other accomplishments. If you decide to help Peyton financially please contact his Father David Faircloth 702-235-4985. Thank you to everybody helping to process this terrible loss. Thank you and God bless Laura and her family and friends .
