I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ I am so sad to find out that my beautiful friend Lee has passed. We were friends (Lee and John both) for 68 years when they lived in Rochester, New York and then they moved, but we kept in touch and I knew something wasn't right when I couldn't reach her after several times. Lee was a wonderful, beautiful friend and we had great times together when she lived here in Rochester. Lee was in my wedding and when I had my first child I named her Donna Lee and she reminds me of Lee so beautiful inside and out. I will be forever sad until I see her again someday. Sandy

“ So sorry to hear of her passing. She was loved by so many of us tennis players. Never knew of anyone with such a sunny disposition as Lee
