He Only Takes the Best

God saw she was getting tired and a cure was not to be, So He put His arms around her and whispered "Come with Me". With tearful eyes we watched her suffer, and saw her fade away, although we loved her dearly, we could not make her stay. A golden heart stopped beating, hardworking hands to rest. God broke our hearts to prove to us, He only takes the best.

“ *Leila, I'm going to miss our fun times together. At least I beat you a couple of times at bowling. You and your 300's I'm really going to miss teasing you about them (with your broken wing turkeys). Grief can be so hard, but our special memories help us cope. Remembering you and your loved one today and always. Love Cindy & Kyle*

“ You can only have one mother Patient kind and true; No other friend in all the world, Will be the same to you. When other friends forsake you, To mother you will return, For all her loving kindness, She asks nothing in return. As we look upon her picture, Sweet memories we recall, Of a face so full of sunshine, And a smile for one and all. Sweet Jesus, take this message, To our dear mother up above; Tell her how we miss her, And give her all our love. i miss you mom so very much i know your safe with the family now and grandpa grandma ruth and larry are showing you around its been so lonely here all alone with out you are my daily rootines i love you mom i wish you was still here but your in a better place i hope i get to see you all of you again i love so very much
