Bridge of Memory

There is a bridge of memory. From earth to heaven above. It keeps you always near us, it's called the bridge of love. May you always walk in sunshine and God's love around you flow, for the joyful life you shared with us, our hearts will always glow. It broke our hearts to lose you, but you did not go alone, for part of us went with you. The day God called you home.

“ Lenny, So sorry to hear about your passing from Marilyn today. My heart aches, and I still can not believe the news. Not only were you a wonderful friend to my Dad, and my Mom, but when I needed you when Dad was sick, and then passed, you and Marilyn were there. Thank you from the bottom of my heart, for everything you did to help during that time, plus being apart all the special times, like Dad's 90th Birthday. I will never forget everything you did to help my family. You were a special person in our lives, and I will keep those fond memories close. I hope you and my Parents are having the best conversations together. I will always remember the good times, and smile when I think of you. RIP dear Friend!
