“ I met Len way back in the late 70's at a EST seminar. When I left Vegas in the early 80's and moved to Arizona I kept in touch with Len. Once when I came to town we met on Boulder Highway and sat in his Limousine talking and catching up. That is the last time I talked with him. What a great man and life he had. So sorry to hear of his passing. Condolences to his Family.Laura Perretti
