

Lester William Bergman

December 6, 1949 - December 13, 2023

Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ Les was a special friend. I worked with Les and John on the Hunsaker armed robbery, and we remained friends. Pretty cool to me as a PI to work alongside and become friends with them. Prayers to Gloria and family.
