### I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ Nobody will ever truly know the weight you carried on your shoulders all these years. as much as it pains me to let you go i know that if anyone deserves to rest it's you. You always gave your best to all of us no matter what and never asked for anything in return. I can never repay you. All i can do is pick my head up as you'd always say and be the man that you raised me to be. You are living through me everyday, Thank you for the constant strength and resilience from day to day life. i get it from you. I miss you more than anything grandma and I love you. I know i will see you again.

“ *Mama words can't even describe the pain I feel! Life literally isn't the same without you, I can hear you telling me " I'm gonna be just fine" as well as " I'm the strongest person you know"! I'm trying so hard Mama I promise I am but I'm so lost without you! I love you beyond words and I made sure that I showed you every single day! I love and miss you so much*
