

## Linda Marie English

June 1, 1955 - September 9, 2020

### I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ As a coworker mostly from years' past, I only had brief opportunities to get to know Linda, but her care for people clearly stood out, even in our limited interactions. I can only imagine the depth of her love for people.

“ I was saddened to hear that Linda passed away. I speak for many at the RTC when I say we share in your sadness as you remember her. I hope Linda's memory is always a source of joy and I pray you feel surrounded by God's love as you mourn her.

“ *My sincere condolences to the family of Linda English.*

*Linda and I worked together at the Regional Transportation Commission of Southern Nevada. I knew her to be a strong and forthright woman. Linda was so outgoing and funny. Her smile was infectious! Her voice so warm and unique. She was kind and cared about her coworkers. She LOVED her family. Recently, we had a lively conversation about her plans to retire in 2021. My heart is heavy because she did not get the chance to realize that dream. However, I am comforted in knowing that she is at rest with God, in whom she truly believed.*

*Rest well, Linda.*

“ I want to send my condolences to the family. Linda was like part of my family for the past 12 years. Linda was like a mother to many of us who worked with her. If she spotted you and you didn't look happy she would come right over to you and ask what's wrong. Always providing inspiration and offering help. She was brought on this earth to help people no matter what the circumstance. I can't express how much she is missed. Linda, your legacy will live on forever.
