“ I am saddened to only now hear of Angel's passing. She was my co-worker and good friend in the early 2000's, at the Chumash Casino. We went to a concert together, and she was a hoot! I will always remember her smile, her kind eyes that saw way more than just the 3D world in front of her, and the way she'd always just shoot it to me straight - she was one of very few I respected enough to actually listen to. I know it's been many years since Angel departed, and I am sorry to be so late...but that's kind of one of my trademarks...she knows that. But please accept my sincere condolences. Angel was truly one-of-a-kind. I pray her light shines on you from way up high, and that fond memories bring you a smile. Thank you for sharing her with me, for the brief time we were friends.
