Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ Two years have passed and the pain remains the same, I miss you every day. I wish for one last hug and one last story. Te adoro mi carnal hermoso. Wait for us as we will be together once again.

“ My deepest sympathies. May the God of all comfort strengthen the entire family during this time of sorrow. Always remember that God keeps in his memory those whom we lose because they are precious in his eyes (Psalms 116:15)
