“ *I will miss the days when you would call and say hey sister and id say hey mario how are you. I will miss the laughs and jokes and all the times we would hang out even though lately it wasnt alot. I will miss the sound of your voice and the half hugs. You were my little brother and i would have done anything for you. I will make sure to keep your memory alive because Raelyn wont get to know you like the rest of the kids did. I love you Rest Easy Mario.*
