A Fallen Limb

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again."

“ *Mark always had a kindness and light about him and never an angry bone in his body. I miss what was but look forward to what will be on the other side with Mark*

“ *As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. My heart and prayers go out to you and your family. May he rest in peace.*
