

Mark Douglas Saladen

September 18, 1956 - January 2, 2022

Mark Douglas Saladen, 65, of Las Vegas, Nevada, passed away surrounded by his family on January 2nd, 2022. Mark was born in Sacramento, CA and moved to Las Vegas his senior year of high school.

Mark is survived by his three daughters Cherice Wingfield, Lesley Hicks, Stephanie Stevenson, two sons Joshua Saladen, Jason Saladen, twin brother Michael Saladen, sister Dana Saladen, seven loving grandchildren and two wonderful nieces. Preceding him in his passing were both of his parents, Bruce Saladen and Lesley Saladen. Mark was a loving father, grandfather, and friend to everyone.

To say Mark was obsessed with fishing is an understatement. Mark not only loved to fish, but more so teaching his children how to fish while spending quality time with them. He could fish all day and sometimes well into the night. He would often say when the fish weren't biting, that they were bound to start biting sometime, so he would move spots and cast another line. While Mark loved all types of fishing, one of his favorite past times was to tie his own fly fishing leaders and use them in the Colorado River.

Mark also loved sports, especially football, where his favorite team was the Green Bay Packers. He spent his free time watching various sports games live and on TV and discussing sports facts with his sons. In addition to

football, Mark was an avid swimmer in his younger years and won many awards and accolades for his skills in Waterpolo. He felt tremendous pride in teaching all of his children how to be strong swimmers early on in their life.

A special thank you to the people at St. Rose Dominican Hospital San Martin for their loving care and support during his final days. Also, the family would like to extend their sincerest gratitude towards Affordable Cremation and Burial Service for being very accommodating and understanding during this difficult time.

There will be a small service for immediate family members only. The family asks that in lieu of flowers, donations be sent to the Trout Unlimited Organization.
