May 20, 1961 - April 15, 2020

I'm Still Here. I may be gone but please don't cry. Death is not the last goodbye. Death releases me of my pain. There will come a day when we meet again. Don't be blue and don't be sad just think back to all the fun we had. I am always here. I hear you speak. In times of trouble, it's me you seek. You don't see me but I see you. I will do my best to pull you through. Speak to me and I will hear. I am never far and will always be near. Be brave and do not cry, it's not goodbye. See you again on the other side. Nuf Said.

“ Martin, You were a bright light that shown upon everyone that you met. A Steinbeck quote says it best. "It's so much darker when a light goes out than it would have been if it had never shone." Rest In Peace dear brother-in-law. You will be missed.
