An Old Irish Blessing

May love and laughter light your days, and warm your heart and home. May good and faithful friends be yours wherever you may roam. May peace and plenty bless your world with joy that long endures. May all life's passing seasons bring the best to you and yours.

“ *Grandma Mary brought love, light, and joy to everyone who was around her. She was the kindest, sweetest and most giving soul. I will always feel the warmth that is brought about whenever I think back on my childhood memories with her. From baking cookies to shopping for school clothes we always had a blast. I can attribute my love for baking homemade cookies to her, and will continue to think of her everytime I bake a new batch. Sending all my love to you Grandma. You are forever and always in my heart* ❤️
