Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart

“ You are a friend like no other, your personality is one of a kind and radiates in every room you enter. Heaven needed you more than us and from above you can now visit all of your loved ones without hesitation. My heart hurts but I trust God's will that you are in a much better place. Mel you will be loved and missed but never forgotten.
