

Michael William Scott Jr.

October 21, 1971 - August 5, 2025

In loving memory of Michael William Scott, Jr.

It is with sadness and heavy hearts that we announce the passing of our beloved son, Michael who left us peacefully on Tuesday August 5, at the age of 53. He will be missed dearly, and we will continue to carry his love in our hearts.

Born on October 21, 1971, in Lansing, Michigan, he went to college at Salisbury University in Maryland and received a degree in accounting. Michael was working at Axem Technology in Las Vegas, Nevada. He was very successful in his position as a sales rep and loved his job and the people he worked with. His job afforded him the ability to travel around the world and consequently make great friends and acquaintances. Michael's very best friend was Tony Miller, whom he met in high school and was a very important part of his life.

His loves were music, concerts, golf, University of Michigan, Michigan State University, The Detroit Lions football and of course, his son River whom he adored more than life.

Michael is survived by his son River Michael Lee Scott, mother, Jeanine Lee Clark (North Clark) and father Michael William Scott, Sr.

There will be no immediate services due to the proximity of our family who are mostly in Michigan and Florida, however the family is exploring the possibility of a Memorial Service, in Michigan, at a later date. Most of his family and friends reside in Michigan, where he grew up. He has made so many friends throughout the country, and we would love to have a gathering where people could come together to honor Michael's extraordinary life.

In lieu of flowers, those who wish to honor Michael's memory may make a donation to help the family with the overwhelming expenses.

“ I had an opportunity to coach soccer with Mike for a season. He is a good and patient man. One thing was for certain he loved River with everything that he had. We had a lot of fun together. I miss those days but am grateful that we had them. My condolences to his family. May you find peace at this time. - Dan Riggs
