

## Michael Ray Sweitzer

June 15, 1958 - June 16, 2022

Afterglow I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ I was married to Michael for 5 years. He was a Very sweet man. We realized we were better as friends when we separated. Several people we worked with said we should write a book on how to go through divorce. There were no hard feelings and no fighting. After we signed divorce papers we walked out holding hand and went to lunch, then drove back to work. The last time I saw him we hugged and said we'd keep in touch but, regrettably that didn't happen. I wish I could have seen him and hugged him one more time. As I said when I left him the last time..I love you Micheal, I'll always be your best friend! You have my number, I'm always here for you!!!

“ Michael was married to my sister many years ago. I always liked him and I'm sorry to know he's passed on. Wish I'd had the chance to speak with him which is how I found this. I wanted to reach out to him.
