“ Dear Dad, It's been four years since I last left a message. I wish you were here to see how much I have grow and exponentially changed. You have taught me well. It prepared me for where I am today and Dad I just wanted to say thank you for everything you did for me. I didn't let it go to waste. I'm in an amazing spot in life finally. I just wish you were still here guiding me. I will forever love and miss you.  
Your son, Phillip Wakefield
