## Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ you & me against the world mommy. I miss you, love you and hold our memories close to my heart & mind. I'm taking care of everything & everyone here, just like you asked. I wish I could just have your advice & listening ear... I have a strong will just like you and keep pushing through, just like you. Until we are reunited, Ill keep you close. Tammy misses you & loves you. Your grand babes love you mom.. You pop in my dreams often, I wake up thinking your here and with me. Rest easy now mom, your fight is over Love your daughter, Tina & family
