“ I have known Nancy for over 30 plus years. The first time meeting Nancy was when she visited in St Paul MN. I met her through her best friend and person she grew up with, Jim, known to Nancy as Grizzly. Going forward I would see Nancy many times in Las Vegas...lots of adventures and good times. In the last decade, my wife Lindy and I have enjoyed our visits with Nancy and Rocky every time we travelled to Vegas. We will miss Nancy but her friendship will live on in our hearts!

“ I have known Nancy for about 35 years and my husband knew her over 50 years. When we were together there always was fun to be had. Sit around and have a smoke and a few drinks and always a lot of laughter. We miss our weekly visits and she is deeply missed. See you on the flip side
