garden and found an empty place. He then looked down upon the earth and saw your tired face. He knew that you were suffering God looked around His. He knew that you were in pain. He knew that you would never get well on earth again. He saw the road getting rough and the hills were hard to climb. So He closed your weary eyelids and whispered 'peace is thine.' He put His arms around you and He lifted you to rest. God's garden must be beautiful, He only takes the best. If tears could build a stairway, and heartaches could make a lane, we'd walk a path to Heaven and bring you home again.

“ Natalie was first a co-worker, then a mentor, then a dear long term friend. She got me through a lot in my life. We met at RCA in NJ which became Unisys in 1972. We moved to PA when we both got transferred. She and Herb were there for me when I moved back to PA after my divorce. I visited her and Herb at their beautiful home in Port Angeles just once. We continued to correspond via email - the last time she wrote to me was 10.14.23. I am so grateful for having her in my life. She is a part of me. I will always cherish her friendship and her memory.

“ Natalie, Herb, Barbara and I met at the Newcomers Club in Port Angeles, WA. We lived on the same street and soon became very close friends. We shared a lot of the same interests and activities. We moved to FL in 2003 but still remained close friends. Emails and phone calls made sure we kept in touch. Natalie will be sorely missed.
